Dear Families

I would just like to take this opportunity to let you all know that I am going to retire at the beginning of next year. My decision has been a tough one to make mainly due to the incredible support I have received as Director from the community. However, it is time to move to the next phase. It has been an absolute pleasure to have worked with such wonderful committees, staff, families, and children over the past 14 years. I will miss the preschool very much however I know that it will continue to thrive well into the future.

Warmest Regards
Alison

Dear Families

Jill, Kylie and Kylie are needing flowers for a hammering project. If you have any left after all the rain, could you please bring them in next week? Many Thanks!
