

Educational, Caring, Family Focused

Our first newsletter for 2021

Dear Families

On behalf of Quirindi Preschool Management Committee and our Educational Team we would like to share a very warm welcome to all families and their children. Welcome to a year of fun, laughter, exploration, challenges, play and learning together.

Quirindi Preschool Annual General Meeting AGM

Quirindi Preschool is proud to be a community-based preschool and has been supporting the community for 50 plus years. Each year we legally need to elect a Management Committee at our Annual General Meeting.

AGM Proposed Date: Tuesday 16th March 2021

Time: 6pm **Venue:** Quirindi Preschool

Our **Executive Committee** positions include a: President, Vice President, Secretary and Treasurer.

Our **General Committee** includes three general committee members.

We have had expressions of interest for Treasurer position. Thank you!

If you are interested in being involved in the committee the general committee is a great place to start. If you would like to know a little more information please do not hesitate to ask Shaz or Alison.

Expressions of interest needed for our 2021 Management Committee...

Dear Families, we have a beautiful play-based learning environment, high staff ratios' and a high quality professional educational team.

Why, due to the commitment of each years Management Committee working in partnership with our educational team and advocating for a high-quality play-based early childhood educational learning environment.

We have had expressions of interest for Treasurer position. Thank you to those who have expressed interest in maintaining our preschools commitment to high quality early childhood education.

If you are interested in being involved in the committee the general committee is a great place to start. If you would like to know a little more information, please do not hesitate to ask Shaz or Alison.

Dear Families...we use lots of energy playing. A healthy lunchbox not only fills our hungry body, it keeps our energy levels high. Combined with plenty of water supports our ability to concentrate.

If you have any questions, please do not hesitate to ask our caring educational team for some ideas. In your enrolment packs are some great ideas.

Looking in from a sustainability lense, the less wrapping in lunchboxes the better. Less rubbish in landfill is always beneficial for the environment and for our children.
